

When you choose Intercept's True North Health Clinic, you can be comforted to know that you will be served by highly trained professionals who offer a full continuum of care.

Our mission is to provide the highest quality of care to individuals with mental health needs and to transform lives impacted by addiction through a comprehensive, structured therapeutic program.

True North offers psychiatric services for individuals ages 5 and older.

No referral is necessary, and you do not have to be a client of Intercept to receive services.

True North believes that collaboration and partnerships help our clients live successful lives. True North partners with healthcare professionals and community partners to create innovative, integrated services for our clients to reach their full potential.

TELE-PSYCH

True North is proud to be the leader in offering tele-psychiatry in a variety of settings. We believe expanding services via the internet removes barriers to accessing these crucial services. Now, all clients will be able to benefit from our services no matter where they live.

Currently, True North provides Tele-Psych services in all Intercept Community Homes, FreshStart Homes, YouthQuest locations, office sites and select Therapeutic Day Treatment school settings. True North will continue expanding services throughout Virginia. Please contact our staff to learn more.
